

HITARTH PANCHAL

1-F-9 RC Vyas colony (BHILWARA) | +91 7426879669 | hitarth9950@gmail.com

CAREER SUMMARY:

Proactive Java developer skilled in Spring Boot, React, and SQL. Eager to build scalable applications and contribute to innovative projects.

TECHNICAL SKILLS :

Programming Language: Java	Frameworks: Spring Boot, React
Web Technologies: HTML, CSS, JavaScript	Databases: MySQL, MongoDB
Tools: Git , Vs Code , IntelliJ IDEA , STS , DBeaver	Operating Systems: Windows, Linux

RELEVANT PROJECTS:

MingleSpace (A Social Networking Site)

Programming Language: JAVA | Framework: Spring Boot , React , Mui (Jan 24 - Mar 24)

- Developed a social networking platform allowing users to create personal profiles and share updates, photos, and videos.
- Implemented features for connecting with friends, family, and colleagues through an interactive and user-friendly interface.
- Ensured seamless integration of real-time updates and media sharing for an engaging user experience.
- Utilized Spring Boot for backend development, leveraging its robust security features like built-in authentication and authorization to safeguard user data and ensure secure access control across the platform.

Hotel Management System

Programming Language: Java | Object-Oriented Programming (Nov , 23 - Dec , 23)

- This Hotel Management System is designed to manage the operations of a hotel efficiently.
- This system aims to automate the entire operations of a hotel, from booking rooms to managing customer information and billing.
- It allows hotel staff to handle reservations, check-ins, check-outs, room status, and customer data efficiently, reducing manual work and improving service quality.

Personal Portfolio Page

Programming Language: HTML , CSS , JS , | Framework: React (July, 23 - Aug , 23)

- The Personal Portfolio Page project aims to create an interactive and visually appealing online portfolio using HTML, CSS, JavaScript, and React.
- It include features like a dynamic project gallery, smooth navigation, and contact form.

EDUCATION:

2021 - 2025 JECRC University	Bachelor of Computer Science Engineering
2020 - 2021 (CBSE Board) A'S Steward Morris School	Se. Secondary Education : 8 CGPA
2018- 2019 (CBSE Board) A'S Steward Morris School	Secondary Education : 7.9 CGPA

SOFT SKILLS :

- Communication
- Teamwork
- Adaptability
